

JUST FAN Copper/black ceiling fan 81cm SMART

Ref. 33427WP

JUST FAN small version. JUST FAN is the very essence of an industrial-style and modern fan. The stylised metal frame creates a striking, mould-breaking design. This copper ceiling fan with black blades is ideal for the ventilation of areas ranging up to 13m². Activated by remote control. This ceiling fan with a low-consumption DC motor has 6 adjustable speeds with a 2,8-3,2-4-5-6,7-9W consumption and 51-86-122-158-195-235 revolutions per minute depending on speed. This fan comes with a reverse function summer-winter, so you can also use it in winter, improving the efficiency of your heating system. Airflow: 121,69 m³ min / 4296 CFM. Optional LED light source not included: Ref. 33391. Control your fan with WiZ. It works with WiFi and it does the same features as a remote control. It is compatible with Alexa, Google assistant & Siri. Remember that it is necessary to add the Smart receiver Ref. 34150, which is not included.
