

JUST FAN LED Black/wood ceiling fan 81cm SMART

Ref. 33425WP-10

JUST FAN small version. JUST FAN is a ceiling fan with light with an industrial and modern style. This ceiling fan is ideal for the ventilation of areas ranging from 13m2 to 17'6m2 and has a low-consumption DC motor. It has 6 adjustable speeds with a 4-6-9-13-22-32W consumption and 51-77-103-129-155-185 revolutions per minute depending on speed. This matt black fan with wood blades comes with a reverse function summer-winter, so you can also use it in winter, improving the efficiency of your heating system. Activated by remote control included. It also has SMART FAN technology, which will allow you to control it with the WiZ application. It works with WIFI and develops the same functionalities as the remote control. It is compatible with Alexa, Google assistant and Siri. Remember that it is necessary to add the Smart receiver Ref. 34150, which is not included.
