

JOY is a collection of indoor wall lamps designed by Nahtrang. Both its structure and its diffuser have a very fun, modern round shape. The diffuser is made of frosted glass and lets the light out with a lot of elegance and style. It emits a warm light and can also be found in white finish.

General characteristics

| | |
|----------|-------------|
| Fixation | PARED,TECHO |
| Type | I |
| IP | 20 |
| voltage | 100V-240V |
| Hertz | 50/60Hz |
| Power | 3W |

Material

| | |
|----------------|-----------|
| Body/Structure | Aluminium |
| Diffuser | Glass |

Finish

| | |
|----------------|------------|
| Body/Structure | Matt Black |
| Diffuser | Opal |

Lighting characteristics

| | |
|-----------------------|------------------|
| Light source included | Si |
| Light source | SMD LED |
| Temperature | 3000K |
